Personal information

Place of Birth	Paris-France
Address	Athens, Greece
Nationality	Greek

Education

2006 - 2013 **University of Piraeus**, School of Economics, Business and International Studies, Department of Business Administration.

PhD in Business Administration - Grade: Excellent

Dissertation: “The Implementation of Knowledge Management in the Research & Development Process in the Health Sector: The Case of Pharmaceutical Companies”.

2002 - 2004 **University of Piraeus**, School of Economics, Business and International Studies, Department of Business Administration.

Master's Degree in Business Administration - Total Quality Management (MBA-TQM) - Grade: Very Good (8.11/10)

Thesis: “Feasibility Study for the Establishment of a Pasta Production Industrial Unit”.

1994 - 2001 **National and Kapodistrian University of Athens**, Faculty of Science, Department of Geology and Geoenvironment.

Bachelor's Degree in Geology - Grade: Very Good (7.57/10), ranked 1st in the graduating class

Thesis: “Geomagnetism and Rainfall in the Greater Athens Area”.

1987 - 1993 **Experimental School of the University of Athens (ESUA)**

High School Diploma - Grade: 19.4/20

Academic positions and professional experience (in brief)

2026 - present **Assistant Professor**

31.08.2026 - present, Department of Tourism Studies, University of Piraeus.

- 2025 - present Lecturer**
Teaching in the Executive MBA Program, National and Kapodistrian University of Athens.
- 2022 - present Member of the Adjunct Faculty**
Teaching in the MBA program; supervision of postgraduate theses, Frederick University (Cyprus).
- 2025 - present Knowledge and Communication Manager**
Women for Oncology Hellas - W4O Hellas: Communication support services, production and editing of creative materials, and support for activities and events.
- 2025 - present Business Consultant**
Provision of consulting services in the private sector.
- 2023 - 2025 Lecturer**
Teaching in undergraduate programs, University of Piraeus.
- 2005 - 2023 Research Associate**
Participation in research projects, University of Piraeus.
- 2022 - 2026 Research Team Member**
In projects of the Centre for Education and Lifelong Learning (KEDIVIM) of the Hellenic Open University (HOU).
- 2006 - 2026 Managing Director - Clinical studies and national/ international educational programs Coordinator**
Hellenic Society of Medical Oncology (HeSMO): Design, organization, and implementation of the Society's research, educational, and professional development activities, including: the educational collaboration with the Hellenic Open University, "Education in Oncology - Hellenic Academy of Oncology (EAKO)" (2022-2025); the Hellenic Academy of Oncology (2006-2026); in-person and distance-learning educational programs in collaboration with international organizations, including the American Society of Clinical Oncology (ASCO), European Society for Medical Oncology (ESMO), and European Cancer Organisation (ECO) (2017-2026); the innovative HeSMO Academy educational program (2018-2025); and the HeSMO-ASCO ECHO Project (2024-2025). Organization, coordination, support, and implementation of clinical studies and programs for the detection of mutations and other molecular characteristics; collaboration with participating centers and sponsoring companies; statistical analysis of data and results; and preparation and publication of scientific papers. Management of and participation in European projects; financial management, budgeting and reporting; sponsorship and procurement management; collaboration with healthcare organizations, institutional bodies, and pharmaceutical companies; project management and project design; website and social media management; marketing campaigns; planning and organization of national and international conferences, seminars, and webinars; and design and development of the Greek Oncology Map.
- 2004 - 2006 Quality Management Systems & Laboratory Accreditation Consultant**
Q-plan AE: Accreditation of laboratories and development of integrated business management systems, including assessment of current operations, design, organization, definition of functional and management specifications, and implementation of Quality Management Systems.

- 2003 - 2004** **Administrative Support**
Postgraduate Program in Business Administration - Total Quality Management (MBA-TQM): Provided administrative support for the MBA-TQM program, contributing to its organization, daily operations, and overall coordination.
- 2001 - 2002** **External Associate**
Sotiriopoulos & Associates S.A.: Geotechnical investigations and laboratory testing.
- 1995 - 2002** **Assistant Supervisor**
British Council: Assistant Supervisor during the FCE, CAE and CPE exams (twice a year).

Academic appointments and teaching

University of Piraeus, School of Economics, Business and International Studies, Department of Tourism Studies

2026 - present Assistant Professor (31.08.2026 - present)

University of Piraeus, School of Economics, Business and International Studies, Department of Business Administration

2023 - 2025 Lecturer, Course “Energy Management (DEFYS22)”

2024 Lecturer, Course “Supply Chain and Physical Distribution Systems (DEPAR18)”

National and Kapodistrian University of Athens, Department of Business Administration and Organizational Management

2025 - present Lecturer, Course: “Business Administration” Executive MBA Program.

Frederick University (Cyprus), School of Business and Law

2022 - present Member of the Adjunct Faculty

Teaching courses in the MBA programme: Leadership and Human Resource Management (DG MBA516), Organizational Behaviour (DG MBA553), and Organizational Behaviour (DL MBA553 - taught in English).

Supervisor of postgraduate dissertations (42 supervised to date).

Hellenic Open University, School of Social Sciences

2016 - 2017 Supervisor of Master’s Thesis, Postgraduate Program in Healthcare Management

Professional skills and training

Clinical studies and molecular testing programs experience

- Comprehensive study coordination: Extensive experience in organizing, coordinating, and monitoring clinical and registry studies, as well as genetic and molecular testing programs, across multiple organizations and research settings.
- Scientific and regulatory expertise: Preparation and management of study documentation (protocols, case report forms, informed consent forms), ensuring regulatory compliance and scientific integrity throughout all stages of the studies.
- Data and quality management: Oversight of patient enrollment, data collection, database management, monitoring, validation, and advanced statistical analysis (SPSS), guaranteeing accuracy, completeness, and reliability of study outcomes.
- Research dissemination and reporting: Contribution to the preparation of abstracts and peer-reviewed publications for national and international conferences (ASCO, ESMO), alongside the development of progress and final reports, visual data presentations, and sponsor updates.
- Clinical and stakeholder engagement: Solid clinical experience through direct collaboration with oncologists and patients during testing and registry programs, while maintaining continuous communication with investigators, diagnostic laboratories, sponsors, and institutional bodies to ensure patient-centered care and successful project delivery.

Distance learning seminars

- Foundations of Virtual Instruction (University of California, Irvine - Coursera).
- Good Practices in Distance Learning (Frederick University, Personal and Professional Development Centre).

Languages

- Greek: Mother tongue.
- English: Excellent command (Cambridge University Proficiency in English; Teaching Certification by the Hellenic Ministry of Education).
- Italian: Good command (CILS 2 Diploma, University of Siena).
- French: Intermediate knowledge (Private tuition in France and Belgium).

Digital Tools and IT Skills

- Operating Systems: MS Windows, MacOS, Android, iOS.
- Productivity Tools: MS Office (Word, Excel, Outlook, PowerPoint, Access, Visio, Project), Google (Docs, Sheets, Forms, Slides, Analytics, Ads, Meet), Microsoft (Forms, Teams, Publisher), Zoom, Mailchimp, ECHO Project (University of New Mexico), Artificial Intelligence (AI).
- Editing & Design Software: Adobe Acrobat (Reader & Professional), Photoshop, Pixlr, Canva.
- Statistical & Data Analysis Software: SPSS, MAXQDA.
- Reference Management: EndNote (Clarivate), Zotero.

- Social Media & Digital Communication: Corporate account management (Facebook, Instagram, Meta Business Suite, LinkedIn, X, TikTok, Pinterest, Snapchat, YouTube, Workplace); design and management of mobile applications
- Website Design & Development: Design, development, and maintenance of corporate websites (WordPress, Joomla).

Good Clinical Practice Seminars

- ICH Good Clinical Practice E6 (R2) (authorized by the Global Health Training Centre, score 100%).

Quality Management Seminars

- Training for Lead Auditors of Quality Management Systems (ISO 9001:2000).

Conference presentations

- “The contribution of HeSMO to biomarkers.” Roundtable: “The importance of biomarkers in oncology.” 7th Hellenic Oncology Congress (7th HOC), Thessaloniki, April 24-27, 2024.
- “HeSMO Clinical Studies.” Closing Ceremony, 29th Hellenic Congress of Clinical Oncology, Athens, April 5-8, 2023.
- “Measuring the performance of new business products.” 3rd National Conference of the Hellenic Society for Systemic Studies (HSSS), Piraeus, May 26-28, 2007.

Special organizational & management activities

- Design, organization, and implementation of the innovative HeSMO-ASCO ECHO Project (2024-2025), utilizing the University of New Mexico’s ECHO platform as a structured knowledge management and innovation model for distance education, connecting oncologists, primary care physicians, and patient support groups, and enhancing cancer survivorship care in Greece.
- Contribution to the organization of exhibits and the reopening of the Museum of Mineralogy and Petrology (1998-2000), Department of Geology and Geoenvironment, National and Kapodistrian University of Athens.
- Organization and participation in the Eurogranites 1998 International Conference (1997-1998), Northern Greece.

Research programs

Design and implementation of field research, preparation of studies, training and education of executives, business consulting, organization of conferences and training workshops, presentations in business laboratories and conferences, technical and financial management and planning, implementation of mentoring activities, application of management system standards, etc., within the following research programs:

2023

University of Piraeus

Support for Actions Promoting Entrepreneurship, Innovation, and Maturity for the Exploitation of Research Activities and the Development of New Products and Services at the University of Piraeus (Operational Program “Human Resources Development, Education and Lifelong Learning”, NSRF 2014-2020).

2010 - 2011	University of Piraeus BioPiraeus: Advanced Environmental Awareness for Citizens and SME Owners in the Piraeus Region, through an Intelligent Information and Education System (European Economic Area: EEA Grants).
2006 - 2008	University of Piraeus Project Extension: Entrepreneurship - Active Learning at the University of Piraeus (Operational Program for Education and Initial Vocational Training II - EPEAEK II).
2004 - 2006	National Technical University of Athens (NTUA), Mobile Radio Communications Laboratory: Development and Implementation of a Laboratory Quality Management System in accordance with ISO/IEC 17025. Polyeco S.A.: Development and Implementation of a Laboratory Quality Management System in accordance with ISO/IEC 17025. Army Biological Research Center: Development and Implementation of a Laboratory Quality Management System in accordance with ISO/IEC 17025. Ministry of Environment, Spatial Planning and Public Works Laboratories: Development and Implementation of a Quality Management System in accordance with ISO 9001:2000. Tagkas S.A.: Development and Implementation of a Quality Management System in accordance with ISO 9001:2000. Fragkos S.A.: Development and Implementation of a Quality Management System in accordance with ISO 9001:2000. Grant Thornton S.A.: Development and Implementation of a Quality Management System in accordance with ISO 9001:2000. Corinth Blood Donation Center: Development and Implementation of a Quality Management System in accordance with ISO 9001:2000. Egnatia Bank: Development and Implementation of a Quality Management System in accordance with ISO 9001:2000. HERON Laboratory / Computer Technology Institute (CTI): Development and Implementation of a Product Certification System in accordance with EN 45011. Hellenic Organization for Standardization (ELOT): Development and Implementation of a Product Certification System in accordance with EN 45011. Center for Renewable Energy Sources (CRES): Development and Implementation of a Laboratory Quality Management System in accordance with ISO/IEC 17025. National Centre for Scientific Research (NCSR) “Demokritos”, Laboratory of Mass Spectrometry and Dioxin Analysis: Development and Implementation of a Laboratory Quality Management System in accordance with ISO/IEC 17025.
